

## Burnham Market international (3) CCI-S 4\* 17<sup>th</sup> – 20<sup>th</sup> September 2020

### GBR Athlete applications for Burnham Market international (3).

Great Britain has been allocated 30 guaranteed spaces for British combinations to attend the CCI-S 4\* at Burnham Market International (3). The Senior Selectors will select combinations in accordance with Annex 2 of the BE Members' Handbook Book Paragraph 2.7.1 if the event is over subscribed.

This is an additional class which is being added at short notice. It is intended that this additional class will provide more opportunities for 4\* combinations to compete in these challenging times. In view of the very short timescales involved and the need to provide certainty to riders by limiting the impact of selection decisions on other competitions, there will be no opportunity to appeal the Selectors decision, which will be final.

### The following process will be followed

1. Make entries in the normal way.
2. If over - subscribed the Senior Selectors will select on the ballot date and publish the list on the Musketeer/BE Website within 48hrs.
3. **You enter acknowledging there will be no appeals process against the Senior Selectors decision.** This is due to the timelines involved of adding at short notice an additional class which is intended to help provide more opportunities for 4\* combinations to compete in these challenging times.
4. The selection process will follow the International Selection process for "International Events Overseas" which can be found in Annex 2 of the BE Members' Handbook Book Paragraph 2.7.1
5. The Organisers of Burnham Market International (3), will publish a wait list.
