BRITISH
EVENTING
SUPPORT
TRUST

Providing **invaluable support** for injured event riders when they need it most

The British Eventing Support Trust is there to lend a helping hand for riders through difficult times, whether that be recovering from an injury or coping with mental health challenges. It also seeks to research, develop, and implement initiatives which will help maintain the overall safety and wellbeing of the riders at the heart of our sport.

The Trust is there to help British Eventing members of all ages and abilities, from grassroots to elite. It enables us, the eventing community, to protect and care for our own. By lending your support to the Trust you could be helping to make a huge difference for a rider, providing a much-needed lifeline in an hour of need.

"I think the most important thing is to have support from like-minded people - you go to your local doctor and they most likely tell you not to get back on a horse for six months. Working with people that understand our sport, appreciate the drive and determination to be back competing and want the same results that you do, is vital for a rider's recovery."

LAURA COLLETT, BRITISH EVENTING SUPPORT TRUST AMBASSADOR

WELCOME — THE CHAIRMAN

THE Organising committee and I would like to welcome all competitors, owners, helpers, Spectators, volunteers and sponsors to our 44th British Eventing Horse Trials over the last 20 years. We are incredibly pleased to welcome Barefoot Retreats as our title sponsor of the Horse Trials. Through their support we have been able to continue the growth of this fantastic event.

It is an enormous credit to all those involved with the horse trials that we have again attracted many of the world's leading riders with their top horses to Burnham Market, and hope all those who have made the effort to come from the far parts of the country have an educational and enjoyable time.

After visiting the various shopping outlets you should walk up the hill to the spectator's mound on the cross country course, from where you can find many of the interesting fences and even get a glimpse of the sea!

Finally, I must thank all our generous sponsors, who help us provide the best possible facilities for the competitors, the army of voluntary helpers who give up their time, without whom these three days simply could not happen.

BAREFOOT
RETREATS

Your chance to compete at The Barefoot Retreats Houghton International Horse Trials!

THERE'S more than just top-level eventing on offer at The Barefoot Retreats Houghton International Horse Trials this year. Taking place from Thursday 26th to Monday 30th May 2022, there's a range of non-eventing competitions to suit all equestrian enthusiasts.

British Showjumping is back for 2022, with three days of showjumping for seniors from 90cm to 1.30m, including British Novice and Discovery second rounds.

There are a variety of unaffiliated competitions taking place over the four days, such as **Unaffiliated Showjumping** from 70cm to 1m and **Unaffiliated Dressage** from Prelim to Elementary incorporating the popular Team Challenge.

This year there will be **Arena Eventing** classes at 80cm, 90cm and 1m, offering riders the chance to jump a course of show jumps and cross-country fences designed by Olympic course designer Alec Lochore.

2022 sees the exciting return of **Showing** and **Working Hunter** classes to Houghton,

including a **Horse of the Year Show** Working Hunter of the year qualifier. There are also **Veteran Horse Society** Area qualifiers and **Retraining of Racehorses** classes.

If you're looking for thrills, then get your hunt together for the **Inter-Hunt Relay!** Teams will battle it out over a mirror-image course, but only one hunt can be crowned the winner and take home the £200 prize!

The **Pony Club Team Showjumping** is another hotly contested competition, with many young riders aspiring to be selected to jump for their branch or centre at an International Horse Trials.

Why not make a weekend of it and stay for the whole event? **On-Site Stabling** is available to book online when making your entries. For more information and to enter, please head to our website. Entries in all classes will be limited and close when full, so don't miss out!

OLIVER TOWNEND (GBR)

World No. 1, Oliver Townend brings 11 to Norfolk and will no doubt be looking to add a 14th CCI-S 4* title to his record here at Burnham Market. He has five horses entered in the headline classes, including Olympic Team Gold medallist Ballaghmor Class, last year's CCI-S 3* winner Cooley Rosalnt and Badminton prospects

Tregilder and Swallow Springs. With this kind of fire power and arriving in excellent form after a string of wins to start the season, he would have to be towards the top of anyone's short list.

PIGGY MARCH (GBR)

Piggy March has a star-studded string of horses entered here at Burnham Market, including reigning Badminton Champion Vanir Kamira and Team Gold and Individual Silver medallist at last year's European Championships, Brookfield Innocent.

Both horses will contest the CCI-S 4* and will be joined by their stablemate Brookfield Quality – runner-up in a hotly contested Advanced class here last year. Piggy will also be aiming for CCI-S 3* success with Gillian Aldous and Ann Tolhurst's mare, Cooley Kan Do. The pair started the season with a win at Poplar Park and will be looking to build on

KITTY KING (GBR)

Going off last year's form, Kitty King would have to be one of the favourites. The winner of one CCI-S 4* section and runner-up in the other, she is back this year hoping to defend the title with her European Team Gold medallist, Vendredi Biats. The pair kicked off their 2022 season with a second place at Tweseldown and will be wanting to go one better here.

PIPPA FUNNELL (GBR)

Never bet against Pippa Funnell and she has five horses entered here at Burnham Market including the current Burghley winner, MGH Grafton Street. Pippa will be targeting the CCI-S 4* with MGH Grafton Street and the CCI-S 3* with Billy Wonder. She also has a very strong hand in the Advanced, running Majas Hope, Billy Walk On and last year's third place finisher in the class, Maybach.

KEVIN MCNAB (AUS)

Currently No. 5 in the world rankings, Australia's Kevin McNab brings Scuderia 1918 A Best Friend to Norfolk to contest the CCI-S 4* here at Burnham Market. A win in the CCI-S 4* at Millstreet and a

fourth-place finish at Pau were highlights for the pair last season and they will be hoping to notch up further success here this week. Definitely one of the leading international hopes.

TEAM PRICE (NZL)

Husband and wife duo, Tim and Jonelle Price will undoubtedly be in the mix once again for New Zealand. With Jonelle currently World No. 2 and Tim No. 3 you can be sure the pair will be bringing a strong hand with them to Norfolk, including Jonelle's Olympic partner Grovine de Reve. The top picks from Tim's entries are the 5* campaigner Xavier Faer and 2018 Burghley winner, Ringwood Sky Boy – both run in the Advanced class on Friday.
